Advice

Coronavirus COVID-19

Everyone stay at home.
Everyone has the power
to **Stop COVID-19.**

Stay at home in all circumstances, EXCEPT:

- To travel and from work where your work is an essential service. See go.ie
- To shop for essential food and household goods
- To attend medical appointments and collect medicines
- For vital family reasons including caring for children, older or vulnerable people or someone who is recovering but excluding social family visits
- To take exercise within 5km of your home. This may include children from your household but MUST adhere to the physical distancing from other people.

Coronavirus has been introduced for those over 70 years and those who are extremely medically vulnerable to COVID-19. You can find out more about this on [hse.ie](https://www.hse.ie)

Remember, you cannot arrange a gathering with anybody you do not live with.

If you have symptoms, self-isolate to protect others and phone your GP.

For information and advice visit www.gov.ie/health/covid-19 or phone 1850 24 1800

How to Prevent

<p>Stop</p> <p>Stop yourself from touching your face</p>	<p>Distance</p> <p>Distance yourself from other people</p>
<p>Cover</p> <p>Cover your mouth and nose when you cough or sneeze</p>	<p>Avoid</p> <p>Avoid public places and crowded areas</p>
<p>Wash</p> <p>Wash your hands regularly with soap and water</p>	<p>Clean</p> <p>Clean surfaces regularly with disinfectant</p>

Symptoms

- High temperature
- Cough
- Shortness of breath
- Loss of taste or smell
- Headache
- Sore throat

Coronavirus COVID-19

Help prevent coronavirus

Wash your hands

Cover mouth if coughing or sneezing

Avoid touching your face

Keep surfaces clean

Stop shaking hands and hugging

Keep a safe distance

The virus spreads in sneezes and cough droplets, so regularly taking the above measures helps reduce the chance of it spreading.

Visit HSE.ie
For updated factual information and advice
Or call 1850 24 1850

Coronavirus COVID-19

To protect yourself and others you need to wash your hands with soap and water

- Wet your hands with water and apply soap
- Rub your hands together until the soap forms a lather
- Rub the top of your hands, between your fingers and under your fingernails
- Do this for about 20 seconds
- Rinse your hands under running water
- Dry your hands with a clean towel or paper towel

Kill the virus. Save lives.
